CHAIRMAN'S REPORT ON UNAUDITED RESULTS MARCH 31, 2014

I am happy to report that Commonwealth Bank's Total Profit for the three months ended March 31, 2014 was \$13 million and exceeded the same period in 2013 by 3.5%.

Total assets at March 31, 2014 were \$1.46 billion which was slightly above December 2013 total assets of \$1.43 billion. The Bank's good performance is underscored by improvements in our Return on Assets and Earnings per Share ratios of 3.26% and \$0.48 which exceeded 2013 by 3.5% and 4.2%, respectively.

Total profit improved primarily due to the quality of the Bank's credit combined with its effective management of the same. As a result of the foregoing, Commonwealth Bank reduced its loan impairment expense in 2014 by 32.6% or \$2.1 million compared to 2013. The reduction resulted from improved delinquency and nonperforming loan ratios. Commonwealth Bank's nonperforming loan ratio of 4.07% continues to significantly outperform the industry average nonperforming loans of 15.97% at March 2014, as reported by The Central Bank of The Bahamas.

The Bank also continues to maintain strong capital and liquidity ratios with Capital Adequacy in excess of 25% and liquidity ratio of 36%. These ratios are well in excess of Central Bank's requirements of 17% and 20%, respectively.

Commonwealth Bank is closely monitoring potential changes in the regulatory and tax environments for 2014 and their likely impact on our performance. Nevertheless, we remain cautiously optimistic about the remainder of 2014.

I wish to thank our over 6,000 shareholders, our customers, and the general public for their ongoing support. I also thank our complement of hardworking and devoted employees who continue to provide excellent customer service along with outstanding results.

William B. Sands, Jr. **Executive Chairman**
